

**Prof. Dr. phil. Claudia Bickmann († April 30th 2017)**

The International Hegel Society mourns the unexpected passing of Claudia Bickmann.

After completing her studies in Marburg, Hamburg, Bremen and Munich and after numerous visiting stays in Kairo, Alexandria, El-Menya, Neu-Delhi and Prag, Claudia Bickmann became a Professor of Philosophy at the University of Cologne. Because of her research on classical German philosophy she was also a long-term member of the Hegel Society.

Claudia Bickmann was a special person. She shared her thoughts with us at many congresses of the International Hegel Society in a lively and witty way. She was a personality able to touch the hearts of many people with her cordiality, openness and zest for life. An intelligent and very kind person has passed away. We will miss her.
